Whittle Release Guide

Available December 2014

Outstanding education, awesome technology

Who is Sir Frank Whittle?

Air Commodore Sir Frank Whittle,
OM, KBE, CB, FRS, Hon FRAeS
(1 June 1907 – 9 August 1996) was a English Royal
Air Force (RAF) engineer air officer. He single
handedly invented the turbojet engine.

This is the turbojet of releases to propel you to
new levels of teaching and learning.
Read to find out more.

Secure Gateway new to FrogLearn

Connect to your specialist software at home.

My Preferences

| My Background |
| Change Password |
| Secure Gateway |

Available Connections

Description	Hosts	Enabled?	
Library Access	8.8.8.8	Yes	

Manually Connect Via Secure Gateway

Your Secure Gateway connection is now ready for you to connect on: sg.frog.local:53.

To launch the Remote Desktop client on Windows, press the 'Start' button and then type either 'mstsc' or 'Remote Desktop Connection' and run. Enter sg.frog.local:53 in the Computer field and click connect.

To launch the Remote Desktop client on Mac open the 'Microsoft Remote Desktop' app from Applications and create a new connection with the hostname set to sg.frog.local:53, or launch the existing connection if this has already been done. If the Remote Desktop app is not installed, this can be downloaded from the Mac App Store.

Any school computer can be accessed all the time, everywhere.

And finally...

We're pulling out all the stops to get this out in December.

New look FrogDrive

Major upgrade to FrogDrive.

Instantly create collaborative workspaces

Images now show as thumbnails.

List view available.

New recycle bin to restore deleted files

New permissions based storage area for all your school documents.

Your school administrator has the power to select the types of files that can be uploaded.
